

You are cordially invited to an

OPEN DAY

Saldanha Bay Aquaculture Development Zone

The Saldanha Bay Aquaculture Development Zone is a collaborative effort between all three spheres of government (national, provincial and municipal).

The ADZ is the only suitable sheltered bay along the west coast for aquaculture production of cold-water species such as oysters, mussels and salmon. Expect to see exhibitions of the products farmed; see presentations on the ADZ developments and engage the department on aquaculture/fish farming.

Date: Tuesday, 15th June, 2021

Time: 12h00 – 19h00

Venue: Multipurpose Dial Rock Municipal Hall in Saldanha Bay

RSVP: Please register your RSVP to Maxhoba Jezile

Email: Mjezile@environment.gov.za

Cell: 073 321 1399 /

Landline: (021) 430 7037

NB: Preference will be given to attendees who have registered, as COVID-19 protocols will be strictly observed.
