### **3. Approval of previous Minutes (11<sup>th</sup> PAF Meeting held on 22 November 2019)**

- The minutes of the 11<sup>th</sup> Public Advisory Forum Meeting were accepted by the meeting, approved and signed by the Chairperson (AK).

### **4. Matters arising from previous meetings**

- On 21-22 October 2019, a 1st audit was conducted by an external auditor from Savannah, in respect of the Section 30A Exemption as per DEADP requirements. ( C )
- On 28 October 2019, the audit report was received. ( C )
- On 11 November 2019, the audit report was communicated to the Saldanha Bay Municipality. ( C )
- CvW raised a concern that the amended CWDP does not make provision for monitoring of FOG's. ( C )
- CS suggested that Sea Harvest continue to monitor for FOG's. (C)
- Sea Harvest decided to continue with FOG monitoring (IP)
- A 12-month continuous RMZ monitoring i.a.w. the revised (7 Nov 2019) CWDP to commence towards the end of January 2020.

## **5. New Matters**

- JC gave a presentation on the Sea Harvest CWDP performance as at end December 2019.
- All parameters were met except for the COD's which were over the limit
- A meeting is scheduled with Dr Barry Clarke on 20 January 2020 to discuss the final commissioning of the dispersion pipeline. At the same time the high COD sampling results will be discussed.
- FH offered to arrange a site visit of the Added Value factory effluent for CvW to familiarize him with the current Added Value waste stream, compared to what it was pre-Added Value DAF plant commissioning in the late nineties.

## **6. General**

- Nil

## **7. Closing**

- AK thanked all present and the 12<sup>th</sup> PAF meeting was adjourned.

## **8. Next meeting:**

- 27 March 2020

---

A Kruger

Chairman SBWQFT
